CATHOLIC CONGREGATION MAY COMPLETE CHURCH

Meeting of Trustees and Special Committee Held With Architect.

TO COST ENTIRE $75,000

When Finished Will be One of Most Beautiful Structures in the Country.

The congregation of St. Jerome's Catholic church and the church trustees are expecting to this year have their building finished at the corner of Seventh street and Washington avenue, completing one of the most beautiful structures in this part of the country. A meeting of the board of trustees, Rev. W. D. Fries, the pastor and Rev. T. A. Conner, the assistant pastor, and a committee from the congregation was held with the architect, John T. Comes, here yesterday, and the matter carefully gone over. There is some red tape connected with the building of the church, but it is thought that this can be complied with in a short time. Accordingly Architect Comes was given instructions to prepare plans and specifications for a two story church building and if possible work will be started on its erection not later than the middle of May.

The basement of the church was erected some years ago, and has been in use ever since. The floating indebtedness of this was cleared at the first of this year, and all outstanding debts were paid off, so that now the church may go ahead with a clean sheet. The basement nearly covers seven lots, at the back of it standing the rectory, occupied by the pastor and his assistant.

The super-structure of the church will cost in the neighborhood of $50,000. The cost of the church structure, entire, will thus be about $75,000. With furnishings and all, it will be worth $100,000. It will be constructed of brick with stone trimmings, of Gothic architecture. Arrangements will be made for seating a congregation of 900 or 1,000.

Eventually it is planned to erect in the rear of the church on Washington avenue a house to be used as a rectory and a parochial school. The church itself will have three entrances, one on the corner of Washington avenue and Seventh street, another on Seventh street and one on Washington avenue.

The committee in charge of building arrangements is composed of the following: George Bailey, A. Kiefer, J. W. Carroll, Jack Rickey, P. Connely, M. J. McGee, C. Minnehan, P. Acton, P. Fox, trustees; T. P. Sloan, Hon. Edw. Callaghan and George Newton, a special committee from the congregation, Rev. W. D. Fries and Rev. T. A. Conner. A meeting of the congregation will be held next Sunday, to specially consider the building project

Chicken and Waffle Supper.

The Ladies' League of the Methodist Episcopal church anticipate a large crowd at their annual chicken and waffle supper to be held in the basement of the church on Thursday evening of this week. Roast chicken will be served. The affair is one similar to that held each year on or about St. Patrick's Day. The menu is published on another page.

Police Make Five Arrests Saturday

There were five arrests made by the police on Saturday night, two for fighting and three for drunkeness. At a subsequent hearing the two arrested for fighting, who were from Fayette City, were fined $2.00 and costs, or $3.85. One paid his fine and the other is serving time. The three drunks were each fined $1.00 and costs or $2.85.

NO MOVE BY AUDITORS

Owing to the controversy existing over the supersedure of the county auditors by the county controller, no audit of the county's fiscal affairs up to the time the controller took charge has been made. Auditor Tilton, the minority auditor, refused to make the audit on the grounds that the office of controller is not constitutional, and other proceedings were instituted to show cause why Mr. Tilton's office should not be declared vacant and a successor appointed. The whole matter has been held in abeyance, and as Auditor Anderson is sick, nothing has been done.

COUNTY HOME MAY HAVE VISITING DAY

Superintendent John S. Quivy and the poor directors of Washington county are planning to have a "County Home Day" some time during the summer, probably in June. The idea is to set apart a day for the reception of visitors in order to visit and inspect the home and environments of the county wards. Many people are inclined to criticise the conduct of the county home and the treatment of the inmates without any knowledge as to actual conditions, and it is believed that a personal inspection of the premises will do much toward correcting some false impressions that exist in regard to the institution.

Monongahela Man Dies at His Home

Joseph H. Barclay, 41 years old, and one of the most prominent residents of West Monongahela, died at his home at 6 o'clock Sunday morning after an illness of two years. He was the youngest son of Thomas and Margaret McVay Barclay.

Mr. Barclay was a Mason, having belonged to the Henry M. Phillips lodge of Monongahela. He was a prominent church worker and belonged to the First Presbyterian church of Monongahela for the past 20 years. For 10 years he had served as an elder in that congregation. Prior to his ill health Mr. Barclay was one of the best known machinists of the Monongahela valley, and was employed at one time at the Pittsburg Plate Glass factory in Charleroi. Funeral services will be held at the First Presbyterian church in Monongahela Tuesday afternoon at 2 o'clock. Interment will be private in the Mingo cemetery.

COUNTY SUPERINTENDENT CRUMRINE ANNOUNCES DATES FOR SCHOOLS EXAMS

Will be Held Throughout the County by Teachers---First One on March 26, and Second on April 22.

The public school examinations in Washington county will be held March 26 and April 23.

We urge teachers to recommend only those who are able to take a high grade examination. The diploma should be sufficient evidence that the holder has passed a thorough examination in the common branches. Fitness for entering the class should not be based upon the fact that the applicants have passed through the books, but that they know the subjects; not book learning, but subject matter well digested and assimilated as the result of work well done during the term.

It is our aim to raise the standard of work in our schools. This can be accomplished just in proportions the teachers aid in maintaining a high standard. The standard should be efficiency. If the teaching is of the right character, efficiency will follow. The diploma will then be a prize well earned by the holder and recognized as evidence of work well done.

It is to the teachers' credit to recommend only strong candidates; it is to the teachers' discredit to have candidates fail. Do not recommend anyone who is likely to fail.

The places for the examinations with the committee are as follows:

Amity—W. C. Horn, J. M. Evans, Mabel Dague.

Beallsville—J. P. Miller, Charles L. Bair, Edith B. Jones.

SUGGESTIONS.

Each applicant admitted to the class must bring a recommendation for his or her teacher. Where there is no recommendation there will be no diploma issued.

Allow no one to sit with or talk to members of the class.

Collect from each candidate 10 cents for postage, diploma, etc.

The questions will be sent to the director of each committee and opened in the presence of the class at 8 o'clock on the day of the examination.

All vacancies on committees can be filled by appointment by the remaining members. Forward to the superintendent the grade sheet, recommendation, manuscripts in grammar and arithmetic, and collection, less your postage. Keep other papers.

The following examinations will be held March 26th. The places not named, April 23. Amity, Scenery Hill, Coon Island, Harmony, Prosperity, Hickory, Cross Creek, Eldersvile, Independence, Burgettstown, Beallsville.

SPECIAL EXAMINATON.

A uniform examination of non-resident pupils who are candidates for the high school will be held in the township and borough high school buildings Saturday, May 14.

On the date named all applicants who expect to enter high school, and who reside in a district not maintaining a high school will go to the high school building where they expect to attend and take the examination under the direction of the high school authorities. It will cover the studies of spelling, grammar, arithmetic, geography, history and physiology.

Each pupil who passes will be given a certificate of proficiency which will indicate that the pupil is qualified to enter upon the work of the high school.

Pupils not expecting to attend high school will take the examination at one of the places named for the diploma examinations. See Institute Annual.

In a fight in a pool room at Monongahela in the early hours of Sunday morning John Turner, 40 years old, received two stab wounds in the side that at first were thought to be fatal. Turner was taken to the Memorial hospital where physicians succeeded in staunching the flow of blood and hopes are now entertained for his recovery.

TO FINISH ELECTION

Council will this evening hold a regular adjourned session to finish the election of borough officers for the coming year. There remains six places to be filled, and in one or two of them a contest may result. Some interest centers in the election of the borough solicitor. There are two applicants for the place, last year's incumbent, D. M. McCloskey, Esq., and Hugh E. Fergus, Esq. E. W. Hastings is the candidate for borough treasurer. Under the present system the borough funds go from bank to bank, and a treasurer is elected from each in turn. Last year R. H. Rush, cashier of the First National bank was treasurer, and the preceding year, T. R. Eagye of the Bank of Chalreroi was the incumbent. Under the system there is no chance for any political differences and the arrangement is harmonious all around.

LOCAL SCHOOL AFTER THE CUP

Prof. Warren T. Douglas of McKeesport, head of the Douglas Colleges of various cities of Western Pennsylvania, is in Charleroi today conducting the annual cup contest in the shorthand and typewriting department of the local school. The contest is an annual event in which all the Douglas college participate, the school making the best records getting the cup.

Charleroi has secured the cup three times out of four, winning it in 1906, 1907 and 1909. In the year 1908 it went to McKeesport. Miss Zella Franks is the principal of the shorthand department this year.

Miss Chloe Crawford and H. B. Staver were in Pittsburg Saturday and attended the play, "Brewster' Millons" at the Lyceum theatre.

Congressman J. K. Tener Has Nothing to Fear for Re-Nomination.

ATTRACTING ATTENTION

Efforts as Member of Rivers and Harbors Committee Has Brought About Results.

Accompanied by Mrs. Tener Congressman J. K. Tener arrived from Washington, D. C. Saturday afternoon in Pittsburg. Mrs. Tener came on at once to Charleroi, but Mr. Tener stopped off to look after some business interests, and reached here later in the evening. Aside from one or two flying visits during the session, Mr. Tener has devoted his entire time to his Congressional duties, where his active and persistent work on the Rivers and Harbors Committee has attracted favorable comment in all the leading newspaper of the country.

Now that the committee work has been closed up for the time being, after a most strenuous session, Mr. Tener is here to look after his business interests and to make preliminary arrangements for the coming campaign, when he will be a candidate to succeed himself at the June primaries for the Republican nomination for Congress in the Twenty-fourth district. He will spend a week here looking after matters in the three counties that compose the district, where everything appears in good shape.

Mr. Tener has kept himself clean in the matter of petty political squabbles in the district, and from present indications he will encounter no serious opposition in getting the renomination in June. He is well pleased with the outlook for the Ohio river improvements, and now that the Government is practically committed to the project of canalizing the Ohio he looks for big commercial and industrial results to be the outcome of this policy.

The Coyle—Charleroi

One of the best aggregations of vaudevilism now being presented at popular prices will appear at the Coyle Theatre commencing at today's matinee. An extraordinary engagement is that of Alf Camm and Theira in a "Revelation in Ventriloquism." Mr. Camm, in addition to being one of the very best ventriloquists now on the American stage, is a comedian of high order, and is ably assisted by Theira with her charming songs and recitations.

Mr. and Mrs. Wallace will present their laughing comedy sketch entitled "Old Hidelberg," while Morris Hart will give imitations of "Beasts of the Jungle."

That musical comedy duo, Earle and Leo, late of the Dollar Princess company, will offer new songs and dances. It is said to be a pleasing combination of polite humor and popular songs.

That wonderful one-handed equilibrist, "The Great Booas" will round out a performance of exceptional merit.

Every day at 2:30, 7:30 and 9. Admission 10 cents. First 8 rows reserved at 15 cents.

Our Public Schools.

The announcement of County Superintendent Crumrine published elsewhere of the annual public school examinations for the county, calls attention to the material importance of the public schools as well as to their social and ethical relations. Materially the public schools are a big institution, requiring an annual expenditure of over half a million dollars in the county, and requiring a total investment in school property of more than two million dollars.

With a total enrollment of 27,977 pupils during the past year the total amount levied in the county for school purposes was $550,073.07. Of this amount $343,236.25 was paid to school teachers in salaries. The sum of $21,952.19 was paid for text books, and $19,481.12 for other supplies. There were 780 teachers employed, and the average school term in the county was 7.8 months. In the 66 school districts in the county are 397 school houses. Aside from the common branches taught in all the schools there are 27 high schools, from some of which pupils can are sufficiently prepared to enter college.

With the exception of the State appropriation, which approximates $100,000 for this county, the money for maintaing the school is collected by taxation from the property holders. The bulk of this, however, is paid out again in teachers' salaries, expenses and practically all of it remains in the county. All that goes out to any great extent, is the amount paid for text books and supplies, and as this saves the school patrons from having to expend this money individually, it will be seen that the maintenance of the public schools is conducted on a more perfect economic basis than many other big institutions where the results go to benefit outside interests.

The Old Story

Long time ago, when the animals were getting their freedom suits news was sent around that every one was to come to the great man's castle to be fitted out. The squirrel invited the rabbit to go for a set of teeth, but he said wait. The cat ask him to go for claws, but the rabbit said there is plenty of time. But when the other animals came back with claws and teeth, he came to his senses, and made a run for the castle, only to find there was nothing to fit him, like some people of today who put off having their eyes properly fitted with glasses, when it costs them nothing to have them examined at

TUMOR OF YEARS GROWTH

Removed by Lydia E. Pinkham's Vegetable Compound

Holly Springs, Miss.—"Words are inadequate for me to express what your wonderful medicines have done for me. The doctors said I had a tumor, and I had an operation, but was soon as bad again as ever. I wrote to you for advice, and began to take Lydia E. Pinkham's Vegetable Compound as you told me to do. I am glad to say that now I look and feel so well that my friends keep asking me what has helped me so much, and I gladly recommend your Vegetable Compound."—Mrs. WILLIE EDWARDS, Holly Springs, Miss.

One of the greatest triumphs of Lydia E. Pinkham's Vegetable Compound is the conquering of woman's dread enemy—tumor. If you have mysterious pains, inflammation, ulceration or displacement, don't wait for time to confirm your fears and go through the horrors of a hospital operation, but try Lydia E. Pinkham's Vegetable compound at once.

For thirty years Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has been the standard remedy for female ills, and such unquestionable testimony as the above proves the value of this famous remedy, and should give everyone confidence.

If you would like special advice about your case write a confidential letter to Mrs. Pinkham, at Lynn, Mass. Her advice is free, and always helpful.

CATHOLIC CONGREGATION MAY COMPLETE CHURCH

Meeting of Trustees and Special Committee Held With Architect.

TO COST ENTIRE $75,000

When Finished Will be One of Most Beautiful Structures in the Country.

The congregation of St. Jerome's Catholic church and the church trustees are expecting to this year have their building finished at the corner of Seventh street and Washington avenue, completing one of the most beautiful structures in this part of the country. A meeting of the board of trustees, Rev. W. D. Fries, the pastor and Rev. T. A. Conner, the assistant pastor, and a committee from the congregation was held with the architect, John T. Comes, here yesterday, and the matter carefully gone over. There is some red tape connected with the building of the church, but it is thought that this can be complied with in a short time. Accordingly Architect Comes was given instructions to prepare plans and specifications for a two story church building and if possible work will be started on its erection not later than the middle of May.

The basement of the church was erected some years ago, and has been in use ever since. The floating indebtedness of this was cleared at the first of this year, and all outstanding debts were paid off, so that now the church may go ahead with a clean sheet. The basement nearly covers seven lots, at the back of it standing the rectory, occupied by the pastor and his assistant.

The super-structure of the church will cost in the neighborhood of $50,000. The cost of the church structure, entire, will thus be about $75,000. With furnishings and all, it will be worth $100,000. It will be constructed of brick with stone trimmings, of Gothic architecture. Arrangements will be made for seating a congregation of 900 or 1,000.

Eventually it is planned to erect in the rear of the church on Washington avenue a house to be used as a rectory and a parochial school. The church itself will have three entrances, one on the corner of Washington avenue and Seventh street, another on Seventh street and one on Washington avenue.

The committee in charge of building arrangements is composed of the following: George Bailey, A. Kiefer, J. W. Carroll, Jack Rickey, P. Connely, M. J. McGee, C. Minnehan, P. Acton, P. Fox, trustees; T. P. Sloan, Hon. Edw. Callaghan and George Newton, a special committee from the congregation, Rev. W. D. Fries and Rev. T. A. Conner. A meeting of the congregation will be held next Sunday to specially consider the building project.

Chicken and Waffle Supper.

The Ladies' League of the Methodist Episcopal church anticipate a large crowd at their annual chicken and waffle supper to be held in the basement of the church on Thursday evening of this week. Roast chicken will be served. The affair is one similar to that held each year on or about St. Patrick's Day. The menu is published on another page.

Police Make Five Arrests Saturday

There were five arrests made by the police on Saturday night, two for fighting and three for drunkeness. At a subsequent hearing the two arrested for fighting, who were from Fayette City, were fined $2.00 and costs, or $3.85. One paid his fine and the other is serving time. The three drunks were each fined $1.00 and costs or $2.50.

NO MOVE BY AUDITORS

Owing to the controversy existing over the supersedure of the county auditors by the county controller, no audit of the county's fiscal affairs up to the time the controller took charge has been made. Auditor Tilton, the minority auditor, refused to make the audit on the grounds that the office of controller is not constitutional, and other proceedings were instituted to show cause why Mr. Tilton's office should not be declared vacant and a successor appointed. The whole matter has been held in abeyance, and as Auditor Anderson is sick, nothing has been done.

COUNTY HOME MAY HAVE VISITING DAY

Superintendent John S. Quivy and the poor directors of Washington county are planning to have a "County Home Day" some time during the summer, probably in June. The idea is to set apart a day for the reception of visitors in order to visit and inspect the home and environments of the county wards. Many people are inclined to criticise the conduct of the county home and the treatment of the inmates without any knowledge as to actual conditions, and it is believed that a personal inspection of the premises will do much toward correcting some false impressions that exist in regard to the institution.

Monongahela Man Dies at His Home

Joseph H. Barclay, 41 years old, and one of the most prominent residents of West Monongahela, died at his home at 6 o'clock Sunday morning after an illness of two years. He was the youngest son of Thomas and Margaret McVay Barclay.

Mr. Barclay was a Mason, having belonged to the Henry M. Phillips lodge of Monongahela. He was a prominent church worker and belonged to the First Presbyterian church of Monongahela for the past 20 years. For 10 years he had served as an elder in that congregation. Prior to his ill health Mr. Barclay was one of the best known machinists of the Monongahela valley, and was employed at one time at the Pittsburg Plate Glass factory in Charleroi. Funeral services will be held at the First Presbyterian church in Monongahela Tuesday afternoon at 2 o'clock. Interment will be private in the Mingo cemetery.

COUNTY SUPERINTENDENT CRUMRINE ANNOUNCES DATES FOR SCHOOLS EXAMS

Will be Held Throughout the County by Teachers---First One on March 26, and Second on April 22.

The public school examinations in Washington county will be held March 26 and April 23.

We urge teachers to recommend only those who are able to take a high grade examination. The diploma should be sufficient evidence that the holder has passed a thorough examination in the common branches. Fitness for entering the class should not be based upon the fact that the applicants have passed through the books, but that they know the subjects; not book learning, but subject matter well digested and assimilated as the result of work well done during the term.

It is our aim to raise the standard of work in our schools. This can be accomplished just in proportions the teachers aid in maintaining a high standard. The standard should be efficiency. If the teaching is of the right character, efficiency will follow. The diploma will then be a prize well earned by the holder and recognized as evidence of work well done.

It is to the teachers' credit to recommend only strong candidates; it is to the teachers' discredit to have candidates fail. Do not recommend anyone who is likely to fail.

The places for the examinations with the committee are as follows:

Amity—W. C. Horn, J. M. Evans, Mabel Dague.

Beallsville—J. P. Miller, Charles L. Bair. Edith B. Jones.

TO FINISH ELECTION

Council will this evening hold a regular adjourned session to finish the election of borough officers for the coming year. There remains six places to be filled, and in one or two of them a contest may result. Some interest centers in the election of the borough solicitor. There are two applicants for the place, last year's incumbent, D. M. McCloskey, Esq., and Hugh E. Fergus, Esq. E. W. Hastings is the candidate for borough treasurer. Under the present system the borough funds go from bank to bank, and a treasurer is elected from each in turn. Last year R. H. Rush, cashier of the First National bank was treasurer, and the preceding year, T. R. Eagye of the Bank of Chalreroi was the incumbent. Under the system there is no chance for any political differences and the arrangement is harmonious all around.

LOCAL SCHOOL AFTER THE CUP

Prof. Warren T. Douglas of McKeesport, head of the Douglas Colleges of various cities of Western Pennsylvania, is in Charleroi today conducting the annual cup contest in the shorthand and typewriting department of the local school. The contest is an annual event in which all the Douglas college participate, the school making the best records getting the cup.

Charleroi has secured the cup three times out of four, winning it in 1906, 1907 and 1909. In the year 1908 it went to McKeesport. Miss Zella Franks is the principal of the shorthand department this year.

Congressman J. K. Tener Has Nothing to Fear for Re-Nomination.

ATTRACTING ATTENTION

Efforts as Member of Rivers and Harbors Committee Has Brought About Results.

Accompanied by Mrs. Tener Congressman J. K. Tener arrived from Washington, D. C. Saturday afternoon in Pittsburg. Mrs. Tener came on at once to Charleroi, but Mr. Tener stopped off to look after some business interests, and reached here later in the evening. Aside from one or two flying visits during the session, Mr. Tener has devoted his entire time to his Congressional duties, where his active and persistent work on the Rivers and Harbors Committee has attracted favorable comment in all the leading newspaper of the country.

Now that the committee work has been closed up for the time being, after a most strenuous session, Mr. Tener is here to look after his business interests and to make preliminary arrangements for the coming campaign, when he will be a candidate to succeed himself at the June primaries for the Republican nomination for Congress in the Twenty-fourth district. He will spend a week here looking after matters in the three counties that compose the district, where everything appears in good shape.

Mr. Tener has kept himself clear in the matter of petty political squabbles in the district, and from present indications he will encounter no serious opposition in getting the renomination in June. He is well pleased with the outlook for the Ohio river improvements, and now that the Government is practically committed to the project of canalizing the Ohio he looks for big commercial and industrial results to be the outcome of this policy.

The Coyle---Charleroi

One of the best aggregations of vaudevilism now being presented at popular prices will appear at the Coyle Theatre commencing at today's matinee. An extraordinary engagement is that of Alf Camm and Theira in a "Revelation in Ventriloquism." Mr. Camm, in addition to being one of the very best ventriloquists now on the American stage, is a comedian of high order, and is ably assisted by Theira with her charming songs and recitations.

Mr. and Mrs. Wallace will present their laughing comedy sketch entitled "Old Hidelberg," while Morris Hart will give imitations of "Beasts of the Jungle."

That musical comedy duo, Earle and Leo, late of the Dollar Princess company, will offer new songs and dances. It is said to be a pleasing combination of polite humor and popular songs.

That wonderful one-handed equilibrist, "The Great Booas" will round out a performance of exceptional merit.

Our Public Schools.

The announcement of County Superintendent Crumrine published elsewhere of the annual public school examinations for the county, calls attention to the material importance of the public schools as well as to their social and ethical relations. Materially the public schools are a big institution, requiring an annual expenditure of [illegible] dollars in the county and requiring a total investment in school property of more than two million dollars.

With a total enrollment of 27,977 pupils during the past year the total amount levied in the county for school purposes was $550,073.07. Of this amount $343,236.25 was paid to school teachers in salaries. The sum of $21,952.19 was paid for text books, and $19,481.12 for other supplies. There were 780 teachers employed, and the average school term in the county was 7.8 months. In the 66 school districts in the county are 397 school houses. Aside from the common branches taught in all the schools there are 27 high schools, from some of which pupils can are sufficiently prepared to enter college.

With the exception of the State appropriation, which approximates $100,000 for this county, the money for maintaing the school is collected by taxation from the property holders. The bulk of this, however, is paid out again in teachers' salaries, expenses and practically all of it remains in the county. All that goes out to any great extent, is the amount paid for text books and supplies, and as this saves the school patrons from having to expend this money individually, it will be seen that the maintenance of the public schools is conducted on a more perfect economic basis than many other big institutions where the results go to benefit outside interests.

The Old Story

Long time ago, when the animals were getting their freedom suits news was sent around that every one was to come to the great man's castle to be fitted out. The squirrel invited the rabbit to go for a set of teeth, but he said wait. The cat ask him to go for claws, but the rabbit said there is plenty of time. But when the other animals came back with claws and teeth, he came to his senses, and made a run for the castle, only to find there was nothing to fit him, like some people of today who put off having their eyes properly fitted with glasses, when it costs them nothing to have them examined at

TUMOR OF YEARS GROWTH

Removed by Lydia E. Pinkham's Vegetable Compound

Holly Springs, Miss.—"Words are inadequate for me to express what your wonderful medicines have done for me. The doctors said I had a tumor, and I had an operation, but was soon as bad again as ever. I wrote to you for advice, and began to take Lydia E. Pinkham's Vegetable Compound as you told me to do. I am glad to say that now I look and feel so well that my friends keep asking me what has helped me so much, and I gladly recommend your Vegetable Compound."—Mrs. WILLIE EDWARDS, Holly Springs, Miss.

One of the greatest triumphs of Lydia E. Pinkham's Vegetable Compound is the conquering of woman's dread enemy—tumor. If you have mysterious pains, inflammation, ulceration or displacement, don't wait for time to confirm your fears and go through the horrors of a hospital operation, but try Lydia E. Pinkham's Vegetable compound at once.

For thirty years Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has been the standard remedy for female ills, and such unquestionable testimony as the above proves the value of this famous remedy, and should give everyone confidence.

If you would like special advice about your case write a confidential letter to Mrs. Pinkham, at Lynn, Mass. Her advice is free, and always helpful.
